WHO IS...

STRIDE ®

OUR People...

OUR Brands...

Stride Incorporated is a Diversity Business Enterprise. We are a unique business, selling office products, including **QuickFit** binders, **Schneider Writing Instruments** and **Easy Fit** sheet protectors. Stride also does custom manufacturing in our **United States** manufacturing facility including **Forevergreen Eco** items and custom **Writing Instruments**, as well as other specialty products.

The name Stride was trademarked in **1982** and was chosen because Stride products are made by some **very special employees**, people with disabilities, who love having a job and earning a paycheck. They have made great strides in their personal development! We appreciate your sales efforts to support the Stride Mission.
